

ANNOUNCEMENT

October 10, 2008

It is with pleasure that I announce the appointment of **Susan Stinson** to the position of *Manager, Human Resources and Organizational Development*.

Susan, a graduate from the University of Western Ontario, hails from Dresden. She brings over 20 years of human resource experience in the areas of benefit administration, recruitment, labour relations, policy development and staff training.

Susan has held senior leadership roles including Organizational Development Analyst at Union Gas and Human Resources Manager at Home Depot and StarTek Canada. She has considerable experience within the health care sector having spent 9 years with Sarnia General Hospital and the past 2 years with the Chatham-Kent Health Alliance.

In addition, Susan is a part time instructor/lecturer in the Human Resource Certificate Program at St. Clair College, a member of the Human Resources Professional Association – Chatham-Kent Branch, and a Board member of the Chatham-Kent YMCA.

As you can see, Susan's experiences and involvement in people and systems management is extensive. We look forward to her making a positive and progressive impact on our commitment to being the agency and employer of choice.

Susan will begin her new role at Community Living Wallaceburg on Monday, November 3, 2008.
